The curious case of electrical engineers

Sofi Angelakidou

How did I get here?

maths

How did I get here?

programming

How did I get here?

high voltage

How did I get here?

product development

In the end
you will find a way to
do what you love

1 company

- Product Manager
- Quality Assurance
- Software Development
- Research
- Marketing
- Sales
- Customer Support

Always try to
try more things!
